

Summer 2023 Weekly Programme

We organise activities to our overnight customers. You find our weekly program below.

Monday at 4:00 pm Rainbow trout spinning 1–3 h

We rent spinning rods and sell fishing permits to Paljakka Fishing Park where you have great possibilities to catch rainbow trouts. You might also catch brown trouts and graylings, but due to them being a protected fish in the Fishing Park, they need to be immediately released back to water. We will smoke your catch of the day and deliver it to you for you to enjoy it later the same day either on the terrace at Summer Restaurant nearby or in your Lake Resort Cabin. The price 99 euros / 2 persons also includes the services of our guide. We will guide you to the Fishing Park and our we advise you on the correct fishing technique if necessary. This package is available for the same price also on other days of the week.
